

## **Nuzzles - A Scrumptious New Cookie from The Honest Kitchen Has Mouths Drooling**

For Immediate Release June 12th 2007

**San Diego, CA.**, The Honest Kitchen today announced that it has unlesed the long-anticipated counterpart to its world-famous Smooches Cookies - Nuzzles Duck & Cherry Cookies for Fussy Pups

The delectable new gourmet treat is hand-made in a local San Diego bakery exclusively for The Honest Kitchen, using 100% human food grade ingredients.

Nuzzles have “a luxurious, rich & irresistible flavor” according to Lucy Postins, the company’s president, who claims that her staff taste every single product that the company sells, since only the finest quality human-edible ingredients are used”.

Postins added that The Honest Kitchen is already working on a third addition to its cookie line, but the secret recipe is still firmly under wraps.

The Honest Kitchen is based in San Diego, California. For more information on new products, please contact Lucy Postins at [Lucy@thehonestkitchen.com](mailto:Lucy@thehonestkitchen.com) or 858 483 5995.
